Designer and artist Ashley Scott showcases the harmony between angelic and sharp angles through her new series of hand sculpted accessories, handbags and large scale sculptures. The ANG<E>LES series showcases a lifestyle of valiant art, product, concept, and fashion design all mixed into one world with no boundaries.

Beginning with a vibrant live presentation at Happy Shop Berlin and connecting into an elaborate installation showroom at aquabitArt gallery, Ashley Scott showcases her brand aesthetic, balancing between the realms of product, fashion and concept design.
